DETAILED ACTION

1. Claims 1-12 and 14-36 are currently pending in this Office Action and claims 1-12, 14-16, and 33-36 have been allowed in the prior Office Action.
2. In the amendment filed on November 18, 2009, claims 17-32 were amended. Claims 1, 17, 34, and 36 are independent claims.
3. In light of amendments made to claims 17-32, rejection of said claims under 35 U.S.C. 101 in the prior Office Action is hereby withdrawn.
4. Examiner interprets "computer-readable storage medium" as recited in claims 17-32 to the computer-readable storage as recited in paragraph [0016] of the Specification of instant application (*"examples of suitable media included, but are not limited to, a floppy disk, CD-ROM, DVD, magnetic disk, memory chip, ROM, RAM, an ASIC, a configured processor, all optical media, all magnetic tape or other magnetic media"*).

Drawings

5. Drawings filed on March 31, 2004, are accepted.

Specification

6. Specification filed on March 31, 2004, is considered and accepted.

Allowable Subject Matter

7. Claims 17-32 are allowed.

The following is the statement of reasons for allowance.

As per claim 17, the prior art of record (Doganata (hereinafter "Doganata",

Art Unit: 2162

U.S. Patent Application Publication Number 2003/0220913) in view of Inaba et al., (hereinafter "Inaba", U.S. Patent Number 7054860) and further in view of Fain et. al., (hereinafter "Fain", U.S. Patent Application Publication Number 2003/0220912)), alone or in combination, does not teach or fairly suggest the combination of steps as recited in the claim. Prior art of record does not teach the following limitations:

“(ii) storing the new result set associated with the search query in an offline accessible data store, and

(iii) outputting the new result set as a search result of the search query;

(d) program code for if the search query has been previously received,

(i) retrieving a previously stored result set associated with the search query from the offline-accessible data store, the previously stored result set comprising a plurality of categories each of which comprises one or more articles”.

Dependent claims of claim 17, being definite, further limiting, and fully enabled by the specification, are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reason for Allowance".

Conclusion

8. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure as follows:
